FINANCIAL AID

As the number of scholarships available is limited, **funding offered by institutions or individuals is welcome** so that we can invite more well qualified applicants. When choosing the financial aid package, please consider if you or your institution can contribute to the program expenses. Faculty and Ph.D. students are advised to approach their home departments for travel grants; researchers may have research grants available which can cover their participation; professionals may turn to their employers to fund their training at SUN. You can also consult some non-CEU funding opportunities listed in our [FAQ section](#). While selection of applicants will be based on the academic merit of the applications, those willing to bear the participation costs fully or partially will be preferred in case of equally strong applications.

Financial aid is available in the following categories:

- tuition waiver
 - accommodation grant
 - travel grant (full or partial)
-
- Participants from Central and Eastern Europe and the former Soviet Union and Mongolia, as well as those coming from emerging countries worldwide can apply for financial aid in all categories listed above.
 - Participants from developed countries are expected to pay tuition fee. However, there are a limited number of tuition waivers available on a competitive basis. Those who wish to apply for a tuition waiver should send a separate cover letter specifying their reasons.
 - Participants are NOT eligible to receive financial aid if they attended two CEU funded Summer University courses within a four-year period.
 - In case an applicant is accepted to two courses, which is only possible if the two courses are run consecutively, financial aid is only available for attending one course.
