1. Online Application Form

SUN's [Online Application Form](#), delivered by [Embark](#), enables the online submission of the application form itself as well as all other relevant documentation, including CV's and resumes, letter of recommendation, statements of purpose and application essays (such as research proposal, case study, paper proposal, writing samples, academic records, etc.), eliminating all paper mailing to the SUN Office.

In addition, applicants will be able to use this system to **track their progress and learn the outcome of their admissions evaluation online**. Admissions decisions will be available to applicants as soon as they are entered into the system.

Applicants may apply to maximum two courses. Please note that if you are going to apply to two courses, you must submit a separate application for each. In such cases you should upload a separate set of attachments customized, if necessary, to the differing needs and requirements of the two courses. You will be required to rank them in order of preference, starting with the one you are most interested in. Please make sure your ranking is consistent in both of your applications - if it is not, your applications may not be considered.

Applicants can only be accepted to two courses if the two courses are run consecutively. (Financial aid is only available for attending one course.) In such cases please mark both courses as "**Preferred Course**" and inform the Summer University office at summeru@ceu.hu about your special preference.

Detailed user's instructions for the new online application are included in the form itself. Should you have questions regarding the application form, check the [SUN Online Application Form](#) Frequently Asked Questions.

2. Letter of Recommendation

Applicants must have **one letter of recommendation** submitted. Please arrange for a letter of recommendation to be written by a referee (faculty member, job supervisor, etc.) who can attest to your abilities, qualifications and academic/professional performance. Please advise the referee about the title and content of the course you are applying to. The letter must be completed in English and submitted by the referees online via the online application facility.

3. A full curriculum vitae or resume, including a list of publications, if any

4. Statement of Purpose / Motivation Letter

In the Statement of Purpose, please describe how the course is relevant for your professional, teaching or research work, and in what way you expect to benefit from participating in the course. Please list previous courses you have taken related to the course theme, if any. Please describe how you intend to integrate the learning into your practice and share with others. You are advised to consult the detailed course description on the course web page. Applicants in their statement must include a section which firstly indicates which of the two alternative Master Classes they would find most useful to attend as well as indicating which topics in the entire seminar are of most interest to them, as well as indicating if there are topics which are not covered which would be interesting.

5. Writing Sample in English related to the course theme (max. 10 pages)

Please submit a piece of written work, ideally describing some local economic development related practical programme or substance experience. The writing sample (no more than ten pages) should outline a topic, project or experience that could add value to the discussion and depth of the course. Selected topics will be used as case studies, or discussion groups and students may be asked to undertake further preparation ahead of the summer school, under guidance of the course faculty.

Optional attachments:

- 1. A copy of an article in English published recently**
If you have published articles in newspapers, professional publications or academic journals which are relevant for the topic of the course in English, please upload one. We also accept English translations of articles if you provide a copy of the original.
- 2. A copy of an English language proficiency certificate** (if available)
As proof of your English language proficiency, if you have passed a language exam, please upload a scanned copy of your English language exam result in the online system.
- 3. Additional policy materials (if available)** Please submit policy related materials if available, illustrating your current activity in relevant areas (e.g. policy papers, campaign materials, etc.)

All application materials must be submitted on-line with the [Online Application Form](#). CEU does not accept application documents by electronic mail or fax. Candidates who may experience difficulties with the on-line submission of their documents should contact the SUN Office.

CEU does not return application documents, or copies thereof under any circumstances.

Applications submitted after the deadline will be considered on a case-by-case basis.
