1. Online Application Form

SUN's [Online Application Form](#), delivered by [Embark](#), enables the online submission of the application form itself as well as all other relevant documentation, including CV's and resumes, letter of recommendation, statements of purpose and application essays (such as research proposal, case study, paper proposal, writing samples, academic records, etc.), eliminating all paper mailing to the SUN Office.

In addition, applicants will be able to use this system to **track their progress and learn the outcome of their admissions evaluation online**. Admissions decisions will be available to applicants as soon as they are entered into the system.

Applicants may apply to maximum two courses. Please note that if you are going to apply to two courses, you must submit a separate application for each. In such cases you should upload a separate set of attachments customized, if necessary, to the differing needs and requirements of the two courses. You will be required to rank them in order of preference, starting with the one you are more interested in. Please make sure your ranking is consistent in both of your applications - if it is not, your applications may not be considered.

Applicants can only be accepted to two courses if the two courses are run consecutively. (Financial aid is only available for attending one course.) In such cases please mark both courses as **"Preferred Course"** and inform the Summer University office at summeru@ceu.hu about your special preference.

Detailed user's instructions for the online application are included in the form itself. Should you have questions regarding the application form, check the relevant [Frequently Asked Questions](#) section of the Summer University web site.

2. Letter of Recommendation

Applicants must have **one letter of recommendation** submitted. Please arrange for a letter of recommendation to be written by a referee (faculty member, job supervisor, etc.) who can attest to your abilities, qualifications and academic/professional performance. Please advise the referee about the title and content of the course you are applying to. The letter must be completed in English and submitted by the referee online via the online application facility.

3. A full curriculum vitae or resume, including a **list of publications**, if any

4. Statement of Purpose

In the Statement of Purpose please describe how the course is relevant to your teaching, research or professional work, and in what way you expect to benefit from it. Please list relevant courses in the field you have taken previously during your studies. You are advised to consult the detailed course description on the course web page so that the statement of purpose is in accordance with the main objectives of the course.

5. Writing sample in English (max. 10 pages) related to the course theme

Please submit one of the following documents: a **paper published or in progress**, or a **case study**, or a **plan of a mediation training curriculum**.

Optional attachments:

1. *A copy of an article in English published recently*
If you have an article published in English, please upload it in the online system.
2. *A copy of an English language proficiency certificate (if available)*
As proof of your English language proficiency, if you have passed a language exam, please upload a scanned copy of your English language exam result in the online system.

All application materials must be submitted electronically with the Online Application Form. CEU does not accept application documents by e-mail or fax. Candidates who may experience difficulties with the online submission of their documents should contact the SUN Office.

CEU does not return application documents, or copies thereof under any circumstances.

Applications submitted after the deadline will be considered on a case-by-case basis.
