### 1. Online Application Form

SUN's Online Application Form, delivered by Embark, enables the online submission of the application form itself as well as all other relevant documentation, including CV's and resumes, letter of recommendation, statements of purpose and application essays (such as research proposal, case study, paper proposal, writing samples, academic records, etc.), eliminating all paper mailing to the SUN Office.

In addition, applicants will be able to use this system to **track their progress and learn the outcome of their admissions evaluation online**. Admissions decisions will be available to applicants as soon as they are entered into the system.

**Applicants may apply to maximum two courses.** Please note that if you are going to apply to two courses, you must submit a separate application for each. In such cases you should upload a separate set of attachments customized, if necessary, to the differing needs and requirements of the two courses. You will be required to **rank them in order of preference**, starting with the one you are more interested in. Please make sure your ranking is consistent in both of your applications - if it is not, your applications may not be considered.

Applicants can only be accepted to two courses if the two courses are run consecutively. (Financial aid is only available for attending one course.) In such cases please mark both courses as **"Preferred Course"** and inform the Summer University office at [summeru@ceu.hu](mailto:summeru@ceu.hu) about your special preference.

Detailed user's instructions for the new online application are included in the form itself. Should you have questions regarding the application form, check the relevant **Frequently Asked Questions** section of the Summer University web site.

### 2. Letter of Recommendation

Applicants must have **one letter of recommendation** submitted. Please arrange for a letter of recommendation to be written by a referee (faculty member, job supervisor, etc.) who can

attest to your abilities, qualifications and academic/professional performance. Please advise the referee about the title and content of the course you are applying to. The letter must be completed in English and submitted by the referee online via the online application facility.

**3. A full curriculum vitae or resume**, including a **list of publications**, if any

**4. Statement of Purpose**

In the Statement of Purpose please explain why you would like to attend this course and how you seek to integrate the learning into your existing knowledge and experience and your future practice of human rights.

**5. Brief writing sample in English related to the course theme**

Please provide a brief summary (less than 1 page) of a human rights case in which you are or have been involved, anonymised if necessary. Successful participants will be asked to expand this summary into a more detailed case study which will be used in course discussions.

*Optional attachments:*

1. *A copy of an English language proficiency certificate (if available)* As proof of your English language proficiency, if you have passed a language exam, please upload a scanned copy of your English language exam result in the online system.

All application materials must be submitted electronically with the Online Application Form. CEU does not accept application documents by e-mail or fax. Candidates who may experience difficulties with the on-line submission of their documents should contact the SUN Office.

CEU does not return application documents, or copies thereof under any circumstances.

Applications submitted after the deadline will be considered on a case-by-case basis.
