

HOW TO APPLY

The summer school will run four concurrent policy labs:

1. Doing Business with Integrity in Emerging Markets
http://www.summer.ceu.hu/LMI_business-2012
2. Social Accountability: A Critical Review and the Way Forward
http://www.summer.ceu.hu/LMI_social-2012
3. Strengthening Electoral Justice and Integrity
http://www.summer.ceu.hu/LMI_electoral-2012

See the detailed description of application requirements for the four policy labs in the "How to Apply" section of the relevant course websites at the links above.

Applicants will be requested to make their choice between the above four policy labs in the online application system and submit their application to one or the other.

The participants of each policy lab will have common morning plenary sessions to get familiar with general integrity terms, theories and practical implications in particular agencies and settings, and in the afternoons they will be engaged in one of the policy labs exploring practical, problem-solving solutions to specific integrity
