### 1. Online Application Form

SUN's Online Application Form, delivered by Embark, enables the online submission of the application form itself as well as all other relevant documentation, including CV's and resumes, letter of recommendation, statements of purpose and application essays (such as research proposal, case study, paper proposal, writing samples, academic records, etc.), eliminating all paper mailing to the SUN Office.

In addition, applicants will be able to use this system to track their progress and learn the outcome of their admissions evaluation online. Admissions decisions will be available to applicants as soon as they are entered into the system.

**Applicants may apply to maximum two courses.** Please note that if you are going to apply to two courses, you must submit a separate application for each. In such cases you should upload a separate set of attachments customized, if necessary, to the differing needs and requirements of the two courses. You will be required to **rank them in order of preference**, starting with the one you are more interested in. Please make sure your ranking is consistent in both of your applications - if it is not, your applications may not be considered.

Applicants can only be accepted to two courses if the two courses are run consecutively. (Financial aid is only available for attending one course.) In such cases please mark both courses as "**Preferred Course**" and inform the Summer University office at [summeru@ceu.hu](mailto:summeru@ceu.hu) about your special preference.

Detailed user's instructions for the online application are included in the form itself. Should you have questions regarding the application form, check the relevant **Frequently Asked Questions** section of the Summer University web site.

### 2. Letter of Recommendation

Applicants must have **one letter of recommendation** submitted. Please arrange for a letter of recommendation to be written by a referee (faculty member, job supervisor, etc.) who can attest to your abilities, qualifications and academic/professional performance. Please advise the referee about the title and content of the course you are applying to. The letter must be completed in English and submitted by the referees online via the online application facility.

**3. A full curriculum vitae or resume, including a list of publications, if any**

**4. Statement of Purpose** (max. 500 words)

In the Statement of Purpose please describe how the course is relevant to your studies, teaching, research or professional work, and in what way you expect to benefit from participating in the course. You are advised to consult the detailed course description on the course web page so that the statement of purpose is in accordance with the main objectives of the course.

Please list previous courses you have taken, and describe any previous experience, related to the course theme.

Please indicate your level of proficiency in languages both ancient (esp. Hebrew, Greek and Latin) and modern.

### **5. Writing Sample / Research Proposal in English** (max. 7000 words)

Please submit (upload in the online system) at least one of the following documents related to the course theme:

- an article (published or an unpublished work in progress)
- a sample from your thesis or dissertation
- a research proposal (containing the purpose, methodology, expected output, and bibliography of your current or planned research in your home institution)
- a research paper in progress which you would like to develop as the outcome of the course

The piece should give us an idea of your academic and/or professional writing skills in the field, and an idea of your experience in the course subject. During the course there will be an opportunity to discuss your work with the faculty and fellow participants.

*Optional attachments:*

- A copy of **an English language proficiency certificate** (if available) for non-native speakers of English

As proof of your English language proficiency, if you have passed a language exam, please upload a scanned copy of your English language exam result in the online system.

All application materials must be submitted electronically with the Online Application Form. CEU does not accept application documents by e-mail or fax. Candidates who may experience difficulties with the on-line submission of their documents should contact the SUN Office.

CEU does not return application documents, or copies thereof under any circumstances.

Applications submitted after the deadline will be considered on a case-by-case basis.
