Faculty and Ph.D. students are advised to approach their home departments for travel grants; researchers may have research grants available that can cover their participation, and professionals may turn to their employers to fund their training at SUN. You can also consult some non-CEU funding opportunities listed in our [FAQ section](#).

In case an applicant is accepted to two courses, which is possible if the two courses are not overlapping, financial aid is only available for attending one course.

#### NEP4DISSENT COST Action participants:

Travel and accommodation costs will be covered, and tuition fees waived for successful applicants who are already a part of the NEP4DISSENT COST Action. **These applicants are advised to request a tuition waiver, and indicate in their Motivation letter their membership in the NEP4DISSENT COST Action.**
