FINANCIAL AID

The course is funded by CEU enabling participation at a low, subsidized tuition cost. As some applicants may have difficulty paying for tuition and/or some of the other associated costs (travel and accommodation), a **limited number of tuition waivers** will be offered on a competitive basis.

Those who wish to apply for a tuition waiver should specify their reasons in the “Personal statement on financial aid” section (Funding page of the application form).

Faculty and Ph.D. students are advised to approach their home departments for travel grants; researchers may have research grants available that can cover their participation, and professionals may turn to their employers to fund their training at SUN. You can also consult some non-CEU funding opportunities listed in our [FAQ SECTION](#).

In case an applicant is accepted to two courses, which is possible if the two courses are not overlapping, financial aid is only available for attending one course.
